Travel is a gift. It opens our eyes to unique cultures and the spellbinding beauty of the natural world. But with this gift comes a responsibility – to protect the world as we know it.

AAT Kings and Inspiring Journeys partner with The TreadRight Foundation, a not-for-profit organisation focused on promoting sustainable tourism. As a joint initiative between The Travel Corporation’s family of brands, the TreadRight mission is clear; to have a positive impact on the people and communities we visit, to protect wildlife and marine life, and to care for the planet we call home.

When you holiday with AAT Kings and Inspiring Journeys, our pledge to Make Travel Matter is our commitment to protect the people and wildlife we interact with and the planet we share. Our itineraries include a range of experiences that are sustainable, culturally sensitive and help to fund local projects that benefit People, Planet and Wildlife.

**PEOPLE**

Supporting Communities & Cultures

We are committed to encouraging the cultures, traditions and arts of the communities we visit to thrive. We do this through our support of Indigenous businesses, such as the Pudakul Aboriginal cultural experience on AAT Kings’ NT Explorer, and community based tourism initiatives that build positive futures for community members and their families.

**PLANET**

Sustainability & Conservation

Together with our partner One Tree Planted, we support bushfire recovery efforts in South Australia, New South Wales, Queensland and Victoria, following the devastating bushfires of 2019. The goal is to plant 1 million trees by 2023-25.

**WILDLIFE**

Protection & Awareness

Here in Australia we’ve partnered with the University of Tasmania in its Save the Tasmanian Devil Programme – the vaccine programme to reduce the threat of extinction of the Tasmanian devil due to Devil Facial Tumour Disease.
OUR LOCAL PROJECTS

Australia Zoo
Wildlife Warriors

Thanks to AAT Kings and the TreadRight Foundation, the Australia Zoo Wildlife Hospital has treated over 2,971 koalas since 2014. As Australia’s busiest koala hospital, the facility is at the forefront of koala research and conservation.

• Despite being one of Australia’s most iconic animals, the koala is under severe threat in the wild
• Through sponsoring the AAT Kings Trauma Treatment Ward at the Wildlife Hospital, the TreadRight Foundation directly helps up to 13 koalas in recovery at any one time

Rainbow Springs Nature Park

We support the National Kiwi Hatchery Aotearoa Rainbow Springs, the largest and most successful kiwi conservation hatchery in the world.

• We contribute to the ‘Operation Nest Egg’ Kiwi Breeding Program to hatch and raise chicks, perform health checks and daily monitoring
• The ‘Operation Nest Egg’ Program hatched 55% of all kiwis nationwide in the 2018-19 season

“Nonstop learning experience with exciting places to visit and great company.
Everything was well organised. The tour guide and driver were both excellent. Couldn’t find a fault with any of the holiday.

Gerard P ★★★★★”

“Exceptional – wouldn’t hesitate to go with AAT Kings again!
The driver and tour guide were exceptional as was the quality of the whole tour. We didn’t have to touch our luggage for the entire trip and the information we were given was fantastic. Friends did a drive-yourself at the same time as us and didn’t learn nearly as much as we did. The bus was always very clean and the quality of our accommodation was great. We loved the group we toured with as well.

1. **Welcome to Hobart**
   Your Tasmanian holiday begins with an afternoon tour of Hobart. You’ll see historic Battery Point, Salamanca Place, the Botanic Gardens, Constitution Dock, the destination of yachts participating in the Sydney to Hobart race each year, and Mt. Nelson, which affords panoramic views over Australia’s southernmost city. Enjoy the company of your Travel Director and fellow travellers this evening at a Welcome Reception and dinner. **Hotel: Wrest Point.**

2. **Hobart – Strahan**
   This morning you’ll head west to New Norfolk and magnificent Mt. Field National Park and take a walk through lush rainforest to the many-tiered cascade of picturesque Russell Falls. Then enjoy the scenic drive to iconic Lake St. Clair, the deepest freshwater lake in Australia, and continue through the rainforest to the coastal town of Strahan. Nestled on the shores of massive Macquarie Harbour, Strahan is the gateway to the World Heritage listed Franklin-Gordon Wild Rivers National Park. **Hotel: Strahan Village.**

3. **Strahan – Cradle Mountain**
   Today’s highlight is a lunch cruise on the Gordon River. You’ll be awestruck by the beauty of the dark waters: stained amber by buttongrass tannins, they reflect the untouched wilderness that surrounds them. Stop at Sarah Island for an insight into Tasmania’s lesser-known convict history, the Macquarie Harbour Penal Settlement. See Hells Gates, the treacherous entrance to the harbour, and Heritage Landing, site of a 2,000-year-old Huon pine. Travel through the mining towns of Rosebery and Tullah on your way to your hotel. After dinner tonight, you may choose to do an optional evening tour; perhaps take advantage of a rare opportunity to see Tasmanian Devils feeding after dark. **Hotel: Cradle Mountain.**

4. **Cradle Mountain – Smithton**
   This morning, marvel at the inspiring beauty of Cradle Mountain National Park. Join your Travel Director for a walk by Dove Lake, where you may spot Bennetts wallabies, echidnas and pademelons grazing along the way. Travel on through rolling green hills to Table Cape for spectacular views of Bass Strait. Picturesque Stanley is in your sights as you head west. Enjoy views of the sheer-sided Stanley bluff known as ‘The Nut’ and take some time to explore. Your destination today is Smithton. **Hotel: Tall Timbers.**

5. **Smithton – Launceston**
   Travel through the picturesque coastal townships of Burnie and Penguin, where you’ll stop for morning tea and have the opportunity to join AAT Kings in the ‘10 Pieces’ sustainability programme, whereby you find and dispose of 10 pieces of litter, leaving the environment and the communities that you visit in a more pristine condition than how you found them. Continue to Ulverstone before heading inland to Sheffield, home to over 60 murals depicting the area’s rich history. You’ll learn about dairy production methods and indulge in a cheese tasting at the award-winning Ashgrove Tasmanian Farm on your way to Launceston, Tasmania’s ‘northern capital’. **Hotel: Best Western Plus.**

6. **Farewell from Launceston**
   This morning, visit the unique natural formation of the Cataract Gorge, home to the longest single-span chairlift in the world, followed by an orientation tour of the city. Say farewell to your new-found friends as your exploration of Tasmania’s wilderness comes to an end at midday.

**Bruny Island Traveller**

If you would like to spend more time in Hobart to immerse yourself in the local flavours of the city, why not book extra accommodation before your guided holiday? Explore spectacular landscapes and gourmet local produce on Bruny Island. This is a delicious day out where every course on the menu is a stop on your journey. Visit the home of Bruny Island’s cheese, oysters, fudge, honey, wine and whisky to savour their produce and hear the stories behind the harvest. At every stop sit back, relax and enjoy a fully-inclusive experience. Throughout the day you’ll see incredible scenery. Take a stroll and leave your footprints in the sand of a deserted beach. The light bushland of the northern island gives way to the dense rainforest of the south - this pristine wilderness is home to diverse wildlife including rare white wallabies. Travel with a local guide, who will show you the very best of what the island has to offer.

We recommend you book your accommodation and optional experience at the same time as your guided holiday. AAT Kings offers the best of what the island has to offer. Now we’re off the beaten track exploring along the 4WD Giles Track, crossing dry river beds and outback landscapes to Kings Canyon Resort. This evening you’re treated to the unique Local Dining Experience, Under a Desert Moon, set in the wilderness under a canopy of the Southern Night sky (weather permitting). The only light comes from the moon and the flickering glow of the fire and the only sound is soft music intertwined with the whispering of the breeze through the Desert Oak trees and the...
crackling flames. Enjoy sparkling wine and canapés followed by a degustation dinner, prepared from fresh produce and ingredients unique to the Australian Outback.

This morning, you’re off on a six-kilometre Rim Walk, an exploration of the spectacular Kings Canyon. As you venture around the rim, highlights include the domed ‘Lost City’, and the luscious ‘Garden of Eden’. If you’d prefer a more relaxed walk, you can opt to set off on a two-kilometre stroll along the boulder-strewn canyon creek bed that leads to impressive views of the canyon rim. Now you will journey to Uluṟu.

Immerse yourself in Indigenous culture on a visit to the Waranmarra Aboriginal Community and learn about the Luritja and Pertame people’s spiritual connection to the land. Discover bush food and medicine used for spirituality and healing. Leaving Kings Canyon behind, travel across desert landscapes to Curtin Springs Station, a vast farming property, for lunch. Afterwards, you’ll arrive at Ayers Rock Resort, your launchpad to Australia’s heart, in Uluru-Kata Tjuṯa National Park. This evening, watch as the outback sun bids a fiery farewell, the perfect backdrop for sparkling sundowners at Uluru.
