If all you need is a coach transfer and a driver, then AAT Kings can provide competitive rates to meet these requirements.

Option 2: Seat-In-Coach

Take the hassle out of planning a day by day itinerary by selecting one that has already been tried and tested. This is the easiest and simplest way to book a group tour.

Choose an itinerary and departure date from our existing range of tours and we'll reserve seats on that departure for your group. This means your group will travel with other AAT Kings guests.

Or, you can choose an existing itinerary but travel on a date of your choice and enjoy sole-use of a coach for just your group.

Group Discounts Available 5-16 people – everybody saves 5%* | 17+ people – one guest goes free*

Option 3: Custom Charter Groups
