***Terms & Conditions:** Incentive is agency-based, with eligible bookings made by consultants within the same agency combined to determine the agency's final reward tier. Applies to new bookings made and deposited between 1 October and 31 October 2026, for travel departing in 2026 or 2027. Eligible bookings must be for AAT Kings Australia or New Zealand Guided Holidays of 5 days or more in duration. The final gift card reward will be based on the total number of eligible deposited bookings per agency during the promotional period, up to a maximum reward of \$600 for six or more bookings. Rewards are not cumulative and only one gift card reward will be issued per agency. Gift cards will be issued and distributed in early December 2026. Full terms and conditions apply.
