

AUSTRALIA NEW ZEALAND

2026-2027

Welcome

We offer our respect and gratitude to the First Nations, Torres Strait Islander and Māori custodians who have nurtured the land and its cultures for so many millennia, and who are now some of our most trusted partners in introducing you to these wonderful parts of the world.

Wild, wide and wonderful, Australia and New Zealand continually excite and inspire. It doesn't matter how many mountains you've climbed or remote island shores you've visited, there's always something new to discover with us.

Journey with proud palawa woman Trish along the Derwent River's ancient shores. Here, experience an immersive Welcome to Country with a traditional smoking ceremony and learn about the bush tucker growing in this area – cultural knowledge that has been passed on for generations.

Welcome Traveller,

Throughout my travels, some of my fondest memories have been swapping stories with fellow adventurers. A highlight, dining under the stars close to Uluru together with great company and conversation. These moments – iconic landscapes, shared experiences – are what makes travelling with us unforgettable.

This year, alongside our Classic Tours, we're excited to introduce our new Small Group Tours, offering an intimate setting for you to connect with your surroundings and each other. One standout experience is our overnight cruise on the Milford Mariner, where you'll wake up in the heart of New Zealand's spectacular Milford Sound. With up close views of cascading waterfalls and the opportunity to discover this pristine fiord by tender boat or kayak while guided by a specialist nature guide – it's a journey few ever experience. These experiences go beyond sightseeing; we'll connect you with people and places.

We're also proud to expand our **MAKE TRAVEL MATTER®** Experiences, designed to support local communities and leave a positive impact. In Tasmania, you'll wander through the serene Emu Valley Rhododendron Garden, home to over half the world's known rhododendron species, that dedicated volunteers have lovingly shaped into a botanical wildlife haven. You may even spot the garden's resident platypuses!

With over 100 years of experience, we're proud to offer expertly crafted tours featuring our premium coaches, friendly and knowledgeable Travel Directors and Driver Guides, and a variety of inclusions and flexibility to suit your style.

Escape the ordinary and discover the extraordinary with AAT Kings.

Sincerely,

Ben Hall

100+ Years of Adventure and many more to come

A century ago, the Australian outback was but a twinkle in most travellers' eyes. But thanks to visionaries like the Pyke family and Bill King, how we explore the Land Down Under was about to change in unimaginable ways. Over the coming decades, maps were unfolded, desert cruisers and coaches were customised, and guides were trained. From humble beginnings, together we travelled to places few had gone before, pioneering new paths across Australia and New Zealand and taking intrepid domestic and international travellers on a wild and wonderful ride.

We've come a long way since then and clocked a few kilometres in the process. But some things will never change. Like our spirit for adventure, our oh-so-knowledgeable and passionate Travel Directors and Driver Guides, and the life-changing experiences we offer – the kind that only 100 years of exploring affords.

Join us on a fully immersive off-the-beaten-track adventure!

"Keep doing what you're doing, but try and do it better" – Bill King

If the Elsey Homestead looks familiar, that's because it starred in the 1982 Aussie drama We of the Never Never. Today it's better known for its Mataranka thermal hot springs. Pop on your swimsuit and have a soothing soak, the magical setting surrounded by palms. The only thing more refreshing is a cold beverage at the Daly Waters Pub, self-declared as Australia's 'original outback pub'. You can imagine the kind of swagger the locals bring. The Stuart Highway is long (2,700 kilometres), very straight and very flat. Which makes the appearance of Karlu Karlu (Devils Marbles) on the horizon all the more dramatic. These granite boulders pock the countryside. But they're not just a pretty sight – they're a sacred place for the Aboriginal community reflecting cultural beliefs and serving as a sacred site for ceremonies and storytelling. Wave Rock

Welcome to Perth
Perth may be the Western Australian capital, but it's home to a remarkable amount of green space. Join your Travel Director on a city sights tour and a stroll in Kings Park, whose Botanic Garden is home to over 3,000 floral species. Meet again this evening for dinner with your travelling companions. **Hotel: Holiday Inn West Perth. D**
- 2

Perth - Wave Rock
Wave Rock deserves its name – the cliff resembles an enormous surf wave above the bush. The rainbow-hued granite swell is a short walk from another imaginatively named rock formation: Hippo's Yawn. You can climb through the 'neck' to grab a happy snap. Wave Rock locals are a friendly bunch, passionate about the place they call home. But don't take our word for it. Meet Sheenagh, who will show you her farm and talk life on the land, which can be harsh, but also healing, in a way unique to the Aussie outback. Glimpse her collection of vintage cars and hear about the stories behind them. **Hotel: Wave Rock Motel, Hyden B D**
- 3

Wave Rock - Kalgoorlie
View the wide gold rush era streets and buildings of Kalgoorlie and see the vista over the staggering 'Super Pit' open-cut gold mine. Today's outings continue to gleam as you visit Hannans North Mine; nothing puts life into perspective like standing next to enormous Haul trucks and loaders. **Hotel: Rydges. B D**
- 4

Kalgoorlie - Esperance
More than 31,000 hectares of sweeping heathlands, rugged coastal peaks and white sandy beaches... it's no wonder Cape Le Grand National Park is voted among the most alluring of its kind in Australia. Arrive at Thistle Cove – listen for the whistle of the Whistling Rock among the sounds of wind and sea – and discover Lucky Bay, a postcard-worthy cove where kangaroos love lounging on the beach. Continue to the scenic Hellfire Bay, where you meet your Aboriginal guide. On this **MAKE TRAVEL MATTER®** Experience, learn about the cultural history of Wudjari people and the rich nature of this stunning area. **Hotel: Comfort Inn Bay of Isles. B D**
- 5

Esperance - Albany
Today's journey takes you to Stirling Range National Park, blanketed

- with 1,500 species of wildflowers (seasonal), some of which are found nowhere else on Earth. Enjoy perspective from the Bluff Knoll Lookout, one of WA's highest peaks. **Hotel: The Dog Rock, 2 nights. B**
- 6

Albany Free Time
Nature, history, food and wine... there's not much that Albany can't do. The hardest thing you have to decide is which direction to wander. Perhaps opt for a tour to the last port of call for ANZAC troopships departing Australia in WWI. Maybe explore Torndirrup National Park, where steep cliffs give way to dramatic rock formations and whales are a common sight. Or get a taste for the region on a culinary excursion (all own expense). The choice is yours. **B**
- 7

Albany - Margaret River
Suspended 40 metres above the forest floor, the Tree Top Walk gives you a bird's-eye view of the soaring tingle trees that stand tall through the Valley of the Giants. The Margaret River region deserves its reputation as one of the country's top grape-growing areas. Hamelin Bay Wines has been producing wines that hero this pocket of the state. The result is delicious drops that span the spectrum from sparkling to shiraz, rosé to reserve chardonnay, which you'll enjoy during a hosted tasting at the cellar door. **Hotel: Grande Escape Resort. B D**
- 8

Margaret River - Fremantle
The Margaret River is one of the only wine regions in the world where grapes are grown just metres from the sand. Grapevine backdrops follow you all the way to Busselton, home to the longest wooden jetty in the Southern Hemisphere. Tip your cap to those who built this 1.8-kilometre structure out into Geographe Bay. The remainder of the day is all yours in Freo. Why not explore the Fremantle Markets, which boasts over 150 stalls? **Hotel: Esplanade Fremantle - by Rydges, 2 nights. B**
- 9

Fremantle Free Time
Sometimes, the most memorable travel days are those where you lose yourself wandering the foreshore, lingering over lunch or a cool ale. We highly recommend you spend this day of leisure doing just that (Freo's Little Creatures Brewery is legendary). Of course, having a local show you around also has its benefits, with a Fremantle tour revealing

those hidden haunts most visitors pass right on by (own expense). If you're catching the ferry for a Rottnest Island tour, make sure you have your phone ready to capture selfies with the island's smiley quokkas, not to mention the blindingly turquoise water (own expense). **B**

10

Fremantle - Geraldton
Guests depart this morning in Fremantle (Code: WPPP). Guests joining this morning in Fremantle will need to pre-book accommodation for the previous night (Code: WPMP). Yanchep National Park is staggeringly beautiful, a union of bush and wetlands that is as spectacular as it is sacred. The best way to understand its significance to First Nations communities is in the company of an Aboriginal guide. On this **MAKE TRAVEL MATTER®** Experience, hear about how stories are told and used. Hear didgeridoo playing, and hands-on learning with traditional tools. Two national parks in one day – your next stop is Nambung National Park where you're greeted by an ethereal moonscape. Your Pinnacles tour meanders around this collection of head-scratching limestone formations. This afternoon, Geraldton's moving HMAS Sydney Memorial beckons. **Hotel: Ocean Centre. B**

11

Geraldton - Monkey Mia
Get set for Monkey Mia, located in the heart of the Shark Bay World Heritage region. Keep your sunnies handy at Shell Beach, a powder-white cove formed from billions of coquina bivalve shells up to 10 metres deep, and Hamelin Pool, the world's best-known colony of stromatolites. Believe it or not, these rock-like formations are alive. Aboriginal communities have lived in Shark Bay for 65,000 years; you'll discover this history when you join proud Nhanda man, Darren 'Capes' Capewell. Hear how stories are told, before a didgeridoo performance – men will be given a lesson, while women accompany them on clapsticks. This experience includes a tasting of bush tucker cooked over a campfire. **Hotel: Monkey Mia Dolphin Resort, 2 nights. B D**

12

Monkey Mia Free Time
This morning watch for the dolphins that swim into shore. Every morning, Monkey Mia's wild dolphins swim close to shore where the National Park Rangers explain the feeding habits of these friendly mammals that they know by name. The rest of the day is at leisure. We wouldn't blame you wandering barefoot along the beach, ordering sundowners as the day disappears in a blaze of glory. **B**

13

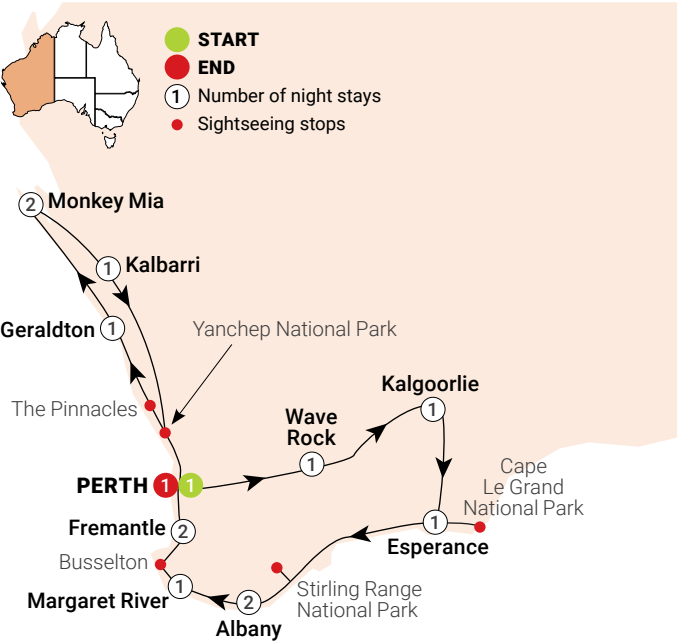

Monkey Mia - Kalbarri
At the Kalbarri Skywalk you'll be welcomed to Country by an Indigenous guide, explaining the stories behind the land on which you stand. On this **MAKE TRAVEL MATTER®** Experience, learn about bushfoods, medicine plants and the traditional uses of local flora. Look around you – there's plenty to eat in the Aussie bush, not to mention traditional medicines to cure what ails you. **Hotel: Kalbarri Edge Resort. B**

14

Kalbarri - Perth
Just when you thought WA couldn't get any more colourful, Hutt Lagoon appears on the horizon – one of the state's pink lakes that changes its pink hues depending on the conditions. Arriving back in Perth you have dinner with your new friends and reminisce about the last two weeks. **Hotel: Holiday Inn West Perth. B D**

15

Farewell from Perth

Untamed Pilbara & West Coast

Ningaloo Reef

1 Welcome to Broome

Multicultural Broome delivers many surprises, from its eclectic restaurants to its long pearling history – the pristine waters produce some of the most prized pearl oysters in the world, and fortune seekers from around the world descended during the region’s ‘pearl rush’. Discover Broome’s other standout attraction: its sunsets. You have today at leisure. Follow locals to the sand on Cable Beach and salute the end of your first spectacular day in WA with your Travel Director, glass of bubbles in hand. **Hotel: Cable Beach Club Resort, 2 nights. B D**

2 Broome Free Time

Which direction should you choose to venture today? Head north deep into the Kimberley where the Horizontal Falls reveals the power of nature. Get some perspective of the tides here on a scenic flight. Or perhaps veer off to a pearl farm, to witness the precision that goes into growing and harvesting these gems (both own expense). Or simply enjoy Broome’s tropical climes, strolling along 22-kilometre Cable Beach, hunting for dinosaur footprints and browsing boutiques. **B D**

3 Broome - Port Hedland

The striking colours of the Pilbara — rich red earth streaked with minerals — set the scene today. In Port Hedland, visit the world’s largest bulk export port. **Hotel: Hospitality. B D**

4 Port Hedland - Karijini National Park - Tom Price

Experience a true frontier on a Karijini National Park tour, where deep gorges carve through the landscape, waterfalls cascade from rugged escarpments, and remote turquoise rock pools glisten like hidden gems. The wilderness is wilder, the colours brighter, the air clearer. It took billions of years to create the geological wonders you see: the red layered cliffs, the quiet gorges, the soaring gum trees, and distinctive termite mounds. It covers a staggering 630,000 hectares in the Hamersley Range, making it WA’s second largest national park. **Hotel: Tom Price Motel. B D**

5 Tom Price - Karratha

Journey through rugged terrain back towards the coast - destination Karratha. Known for its significant role in the mining and resource industry. **Hotel: Ibis Styles. B L D**

6 Karratha - Exmouth

There are a few (hundred) kilometres of Pilbara region to cover between Karratha and Exmouth on the World Heritage listed Ningaloo Coast. On your hypnotic journey, just imagine all the magical marine creatures you might glimpse when you dive into Ningaloo Reef – Exmouth is the gateway. **Hotel: Mantarays Ningaloo Beach, 2 nights. B D**

7 Exmouth Free Time

Steel yourself for a few ‘pinch-me’ moments today. You could choose to snorkel (with an ethical operator) over Ningaloo Reef (own expense). Time of year pending, you may have whale sharks and possibly humpback whales in your company. Nothing quite prepares you for the initial moment you glimpse these gentle giants up close. Or, spend your day strolling the sand and cruising with dolphins at sunset. The choice is yours. **B**

8 Exmouth - Carnarvon

You don’t need to get your hair wet to experience the sheer wonderment of Ningaloo Reef. A Coral Bay glass-bottom boat cruise gets you within a whisker of turtles, colourful coral and fish. You won’t know where to look, although your on-board naturalist will help guide your gaze. From staring at the sea to staring at the stars: your next port of call is the Carnarvon Space and Technology Museum. Did you know it played a role in the 1969 moon landing? Just one fascinating fact you’ll learn from your passionate guide. **Hotel: Hospitality. B D**

9 Carnarvon - Monkey Mia

While stromatolites might sound like something belonging in a cave, these ‘living fossils’ grow in the water at Hamelin Pool. Rock-like in appearance, they’re actually alive, and reveal what life might have been like 3.5-billion years ago. Remarkably, this is the world’s most abundant colony of them. It’s just one of the natural allures of the state’s World Heritage listed Shark Bay, which is also characterised by Shell Beach, formed from billions of coquina bivalve shells. **Hotel: Monkey Mia Dolphin Resort, 2 nights. B**

10 Monkey Mia Free Time

Every morning, Monkey Mia’s wild dolphins swim close to shore where the National Park Rangers explain the feeding habits of these friendly mammals that they know by name. After watching the famous dolphins

swim into shore (Note: As dolphins are wild their appearance cannot be guaranteed) enjoy a leisurely breakfast overlooking the calm waters of the bay. The rest of the day is free for you to explore or relax. **B**

11 Monkey Mia - Geraldton

Kalbarri National Park is known for many things: its gorges, towering coastal cliffs and rare wildlife that you can witness from the Kalbarri Skywalk. And then there are the wildflowers, which bloom and blanket much of the countryside in spring, transforming it into a floral wonderland. Arriving in Geraldton, pay homage to sailors lost off the WA coast during WWII at the HMAS Sydney Memorial. **Hotel: Ocean Centre. B**

12 Geraldton - Perth

Two final wilderness highs provide a fitting end to this journey of contrasts. Within Nambung National Park, the Pinnacles create a moonscape that appears plucked from a science fiction film, its staggering collection of natural limestone structures jutting into the sky. It’s a spiritual place, as is nearby Yanchep National Park. Here, on a **MAKE TRAVEL MATTER®** Experience, your Aboriginal guide’s stories tell the tale of how the land was created. This tour is hands-on, so expect to taste bush tucker and try the didgeridoo. Arriving in Perth you have dinner to swap contact details with your new friends and reminisce about your western adventure. **Hotel: Crowne Plaza. B D**

The Twelve Apostles

As this holiday departs at 7.30am from Sydney, accommodation will need to be pre-booked for the previous night.

1 Sydney - Canberra

As hard as it is to say goodbye to Sydney, it's just as easy to say hello to the Southern Highlands. Highlands, where the rustic countryside of Berrima awaits – fun fact: this is the oldest Georgian village in Australia. Further on, you're welcomed to Gold Creek Station by sheep farmer Craig Starr for a Be My Guest BBQ lunch and tales about life on the land. Onward to the country's cool little capital, home to Parliament House, where you can explore the grounds or take a self-guided tour. **Hotel: Crowne Plaza. L**

2 Canberra - Wangaratta

Get some Canberra perspective from the summit of Mt. Ainslie. You won't be able to see the Murray River, but you'll soon cross it en route to Beechworth, Victoria's best-preserved gold rush town. Get the lowdown on Beechworth over a chat with the publican of the historic local pub and enjoy afternoon tea in the oldest hotel in town. Then you'll be set and on your way to explore honey and gold shops, galleries and museums at your leisure. **Hotel: Quality. B**

3 Wangaratta - Melbourne

Meandering south toward historic Glenrowan, you're well and truly in Ned Kelly country – this is where the infamous bushranger and his gang were finally captured in 1880. We'll tell you all the tales, then a few more about Melbourne, the home of Aussie rules football, some of the country's best arts institutions, and a swag of stellar restaurants, cafés and bars. Once you have your bearings, immerse yourself in a guided galleries tour of our First Peoples arts and cultural centre, Koorie Heritage Trust Gallery a **MAKE TRAVEL MATTER®** Experience, then head off to explore before an evening at leisure. **Hotel: Crowne Plaza, 2 nights. B**

4 Melbourne Free Time

You're on your own today. Well, not really, because your Travel Director is at your service to help arrange optional experiences. Perhaps enjoy a strong coffee in one of Melbourne's atmospheric laneways. Adrenaline junkie? Linger in the city, gaining bird's-eye views from the Melbourne Skydeck at the Eureka Tower. Animal lover? Venture to Phillip Island to see hundreds of little penguins pad along the sand (both own expense). **B**

5 Melbourne - Warrnambool

Guests depart this morning in Melbourne (Code: ESBM). Guests joining this morning in Melbourne will need to pre-book accommodation for the previous night (Code: EMKA). The Great Ocean Road is one of the world's most epic journeys, a dramatic 240-kilometre union of limestone stacks (Twelve Apostles, we're looking at you), untouched coastal coves and sleepy towns, like Lorne and Apollo Bay. It's hard to know where to point your camera on a Great Ocean Road tour. We recommend having it poised to snap shots of the Loch Ard Gorge, the site of a famous shipwreck, and London Bridge rock formations. The latter sandstone arch once resembled its namesake bridge; even after its collapse, it's still an impressive natural wonder. **Hotel: Lady Bay Resort. B D**

6 Warrnambool - Naracoorte

On the shores of Tae Rak (Lake Condah), explore the World Heritage listed Budj Bim Cultural Landscape. The lake spans 1,700 hectares of significant wetlands and stony rises right next to the historic lava flows of Budj Bim National Park. On this **MAKE TRAVEL MATTER®** Experience, learn how the Gunditjmara people worked with natural resources on a short walk of the lake, Australia's oldest aquaculture system. More volcanic history awaits across the South Australian border in Mt. Gambier, home to the crater-filling Blue Lake. By now you'll be pretty thirsty, so it's a good thing the Coonawarra wine region is just around the corner. After a few sips, you may find yourself getting deep – literally. Naracoorte's Alexandra Cave is a maze of delicate, needle-like stalactites and massive twisting columns. **Hotel: William MacIntosh Motor Lodge. B D**

7 Naracoorte - Kangaroo Island

The Fleurieu Peninsula is a natural adventure playground, all rolling hills, rugged clifftops and sandy beaches. Seaside Victor Harbor turns on the charms – take a horse drawn tram ride out to Granite Island (own expense) or take a wander along the pier – before your ferry blasts its horn. All aboard for Kangaroo Island, home to native wildlife like sea lions, koalas and diverse bird species. Your destination is Kingscote. **Hotel: Ozone Hotel Kangaroo Island, 2 nights. B D**

8 Kangaroo Island Sightseeing

It's time for an island adventure: first stops are Remarkable Rocks and Admirals Arch, home to an immense colony of raucous fur seals. The wildlife greets you at Seal Bay Conservation Park, where enormous sea lions barrel down the sand to the water. Here, on a **MAKE TRAVEL MATTER®** Experience you'll visit one of the country's most important sea lion breeding grounds. Aside from smelling divine, eucalyptus oil is like the Holy Grail of healing – there's not much it can't cure. Drop in to South Australia's only eucalyptus distillery to tour the estate, spot resident kangaroos, discover KI's history and dive into oil production. A well-deserved tasting of craft beer awaits at a boutique brewery, the only one on the island. How does a Golden Ale sound? **B L**

9 Kangaroo Island - Adelaide

This morning, tour Kangaroo Island and discover the history of wool production on a fully guided tour of one of Australia's only vertical mills. Then, it's a visit to South Australia's oldest operational lighthouse before leaving the island and arriving in the South Australian capital, known for its well-preserved churches and well-admired cuisine. Did you know that Adelaide City boasts more restaurants per capita than any other city in Australia? **Hotel: Crowne Plaza, 2 nights. B**

10 Adelaide and Hahndorf

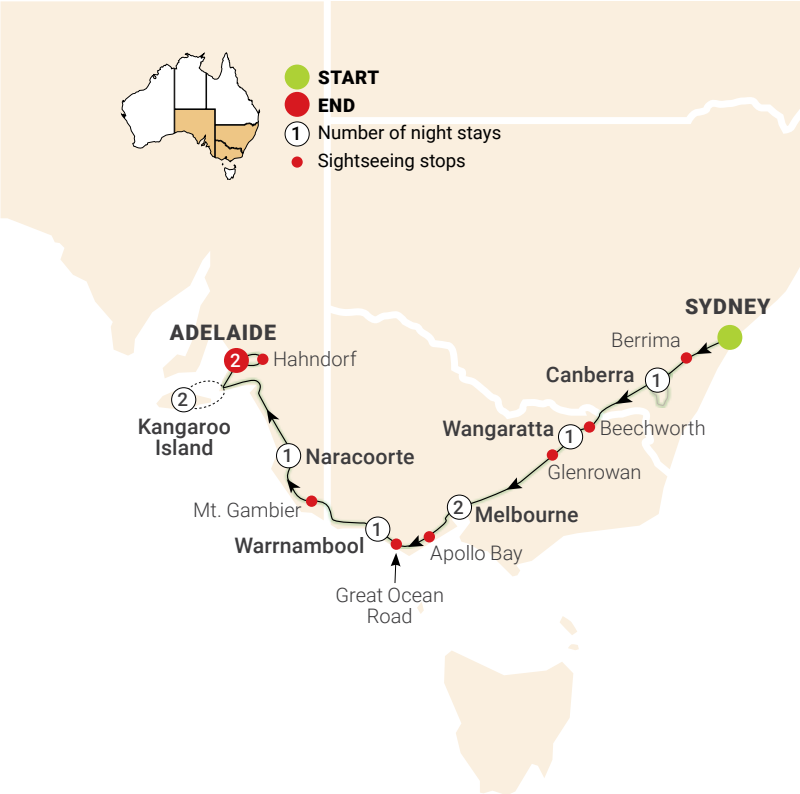

After a city orientation tour, head from Adelaide to Hahndorf, located in the Adelaide Hills, known for its strong German flavours, most evident in the smallgoods outlets, bakeries, pubs, and cafés that line the bustling main street. Back in Adelaide, the afternoon is yours to enjoy at leisure - we have a few recommendations, including a visit to the epic Adelaide Central Market, where you can try green ant gin with cheese, among so many other delicacies (own expense). **B D**

11 Farewell from Adelaide

By day 11, you will have a suitcase full of gin, wine and cheese; a camera full of dreamy images; and more memories than you can count. **B**

South Australian Outback Adventure

SMALL GROUP

Lake Eyre Scenic Flight

1 Welcome to Adelaide

The South Australian capital often flies under the radar - locals like it that way, happy keeping their buzzing dining precincts, glorious gardens, and on-your-doorstep wineries to themselves. But the secret is well and truly out, and over the course of the afternoon you'll discover just how diverse Adelaide really is. Touring the city after your welcome drink, you'll cover every interest base: sports (Adelaide Oval), horticulture (the Botanic Garden), culture (the Art Gallery of South Australia), and food (Adelaide Central Market). Tonight, why not wander up to the foodie hub of North Terrace? The city offers plenty of eateries in which to while away your evening. **Hotel: HotelMotel.**

2 Adelaide - Ikara-Flinders Ranges National Park

You don't have to travel far from Adelaide to be surrounded by vines. In fact, just 1.5 hours north lies the Clare Valley, and therein one of Australia's most awarded wineries. Knappstein Enterprise Winery's roots reach back to 1878, which yields extremely tasty drops, as you'll discover at the cellar door before lunch in the Clare Valley's atmospheric central town. It's the best way to ease into the wide-open, otherworldly spaces of the Flinders Ranges - your commute is a short journey by coach, but it transports you to seemingly Martian landscapes, some 800 million years in the making and home to the Adnyamathanha people for tens of thousands of years. The First Nations community owns and manages your base for the night, Wilpena Pound Resort, and they'll welcome you with spirit and soul, **MAKE TRAVEL MATTER®** Experience. **Hotel: Wilpena Pound Resort. B D**

3 Wilpena Pound - Arkaroola

The cliffs and craters and ravishing red rocks of the Flinders Ranges shine brightly in the morning sun, your outlook particularly pretty from Wangara Lookout. From this vantage, you'll enjoy expansive views over the natural amphitheatre that is Wilpena Pound. It's an awe-inspiring way to start the day, before your journey carves north through dramatic gorges. Keep your eyes peeled for endangered yellow-footed rock wallabies - only 2,250 remain in Australia, and most call this part of the country home. You'll begin to understand why they favour the South Australian outback when you arrive in Arkaroola, characterised by ancient granite mountains and golden spinifex-covered hillsides and providing

a vantage over Lake Frome and the desert beyond. But the real stars here are those overhead, as you'll discover on an astronomy tour that brings the dazzling night sky into full focus. Prepare to be humbled - in the best possible way. **Hotel: Arkaroola Wilderness Sanctuary. B D**

4 Arkaroola - Marree

What was happening in Arkaroola 1.6 billion years ago? Your local guide will help decode the region's mind-boggling geological history as you navigate the steep slopes and hair-raising ascents of the Ridgetop Track. Plants here are found nowhere else on the planet, and gorges are so vast that they seem to cleave off the edge of the earth. A patina follows your journey northwest to the Ochre Cliffs outside Lyndhurst, where an artist's smudge of fiery hues paints the countryside all the way to the horizon. It's as sacred as it is spectacular, with the Aboriginal community having utilised the rich clay soil in ceremonies for centuries. You can see why this part of Australia was attractive to the 1800s settlers of nearby Farina - but you'll also learn why they departed, leaving an eerie ghost town on the outskirts of Marree, where you'll lay your swimming head for the night. **Hotel: Marree. B L D**

5 Marree - Coober Pedy

Much of the South Australian outback towns exist because of the old Ghan Railway, click-clacking from Adelaide to Darwin. Plenty of history will be revealed on your morning's journey along the Oodnadatta Track, perhaps only outshone by the natural drama of Kati Thanda-Lake Eyre. Australia's largest inland lake is - most of the time - a shimmering saltpan covering hundreds of square kilometres, yet is occasionally transformed by desert downpours into a thriving oasis. You'll have the chance to glimpse it from the air, your bird's-eye view unfolding beneath you like a work of art. Speaking of art - your included scenic flight will also pass over the Anna Creek Painted Hills, a rocky outcrop that literally pops out of the flat desert, creating silhouettes resembling cartoon characters. Touch down to explore the otherworldly countryside before jetting on to your destination for the next two nights, Coober Pedy, brimming with compelling quirks and subterranean adventures. **Hotel: Desert Cave, 2 nights. B**

6 Coober Pedy Sightseeing

Coober Pedy offers unique attractions, most of which lie underground due to the intense surface heat. Many locals live in subterranean homes, adding to the town's charm. Begin your adventure exploring opal mines and fossicking for treasures. Then, visit the Aboriginal-owned Kanku-Breakaways Conservation Park, featuring stunning landscapes famously showcased in films like Mad Max Beyond Thunderdome. Here you'll see part of the iconic 5,300-kilometre Dog Fence before heading to Coober Pedy Opal Fields Golf Club, where sandy fairways and an oil-soaked green make for an extraordinary golfing experience. End your day at Big Winch 360°, a captivating 'circlevision' show that immerses you in the region's history and beauty. Coober Pedy is as vast as the outback and as unforgettable as its people. **B**

7 Coober Pedy - Port Augusta

It's hard to imagine landscapes more dramatic than those you'll have experienced so far. But the bar is officially raised by those at Lake Hart, another vast saltpan that sparked a community in the 1930s. Today, it's all but deserted, the isolation reminding you that Mother Nature always rules. The vastness of the South Australian outback here was no doubt one of the reasons why it - specifically Woomera - was chosen to become the world's largest military land base. Established by the British in 1947, the countryside here has been a testing base for atomic bombs, ballistic missiles and satellite boosters. It's a piece of Australian history few know of, but that you will leave appreciating, as you head toward your evening's repose in the natural harbour of Port Augusta. **Hotel: Majestic Oasis Apartments. B**

8 Port Augusta - The Barossa - Depart Adelaide

The Barossa needs no introduction - your journey today will take in one of Australia's oldest wine regions, and local makers know a thing or two about creating memorable vintages. Lambert Estate reveals some of the finest regional drops, your lunchtime tipples complemented by glorious views over the vines. Cheers to that! You'll arrive in plenty of time for your Adelaide flight, your heart, mind and spirit filled with the natural and human wonders of a region that exudes superlatives. **B L**

Don waterproof waders to explore an oyster farm, taste fresh molluscs, and enjoy a seafood platter overlooking scenic Coffin Bay. Join a guided tour to discover Port Lincoln before returning to your waterfront hotel for the night. **B L**

Port Arthur Historic Site

1 Welcome to Hobart

The Tasmanian capital of Hobart may be small in size, but it’s big in attractions, as you’ll discover this afternoon. Put your destination into perspective from the summit of Mt. Nelson, offering endless vistas over Australia’s southernmost city. View the charming Georgian cottages of Battery Point and convict built warehouses along Salamanca Place, the backdrop of epic Saturday markets. Gaze over boats at Constitution Dock - this is where yachts finish when competing in the annual Sydney to Hobart race, and take a stroll in the second oldest Botanical Gardens in Australia with its amazing collection of plants from around the world. Tonight, join your Travel Director for dinner. **Hotel: Best Western Hobart. D**

2 Hobart - Strahan

Western Tasmania is like nature amplified, a place where the wilderness rules and people are few and far between. Visiting Mount Field National Park is a humbling experience, not only for the fact it’s part of the Tasmanian Wilderness World Heritage Area, but also because it’s home to some of the tallest eucalypts and flowering plants on Earth. Wander amid these giants to reach Russell Falls – take a deep breath; you’re officially on holiday. Records continue to be broken at Lake St. Clair, the deepest freshwater Lake in Australia, before you arrive in Strahan, gateway to World Heritage listed Franklin-Gordon Wild Rivers National Park. **Hotel: Strahan Village. B D**

3 Strahan - Cradle Mountain

The inky waters of the Gordon River – given its colour by amber buttongrass tannins – are as eery as they are beautiful, the mirror-like surface only broken by your chariot out to Sarah Island. It’s hard to reconcile the beauty of this part of the state with its grim history as a penal colony; a place where convicts would fell Huon pines for boat building. Thankfully, they didn’t get to the 2,000-year-old pine that still stands proud at Heritage Landing. Early settlers didn’t mince their words when they called the treacherous entrance to the river’s harbour Hells Gates. You’ll understand why when you drift past. Cradle Mountain awaits to the north. We’re sure you’ll be content by the fire perhaps with a glass of wine. **Hotel: Cradle Mountain Hotel. B L D**

4 Cradle Mountain - Burnie

Today your journey reaches new heights – quite literally with a visit to the 1,545-metre Cradle Mountain, your backdrop as you explore Dove Lake on your Cradle Mountain tour, the wild alpine moorlands here are natural magnet for lovers of the wilderness. The spectacular and pristine wilderness of Cradle Mountain is home to the mysterious and secretive Tasmanian Devil. You’ll love the next adventure today, a **MAKE TRAVEL MATTER®** Experience. A Day Keeper tour at Devils@Cradle will lead you through the sanctuary and provide you with a thorough insight into its operation. When joining this tour you will be directly supporting these animals and threatened species conservation. Leave the Central Highlands after an uplifting day and head towards the scenic north-west coast for your overnight stay. **Hotel: Beachfront Voyager Motor Inn. B L**

5 Burnie - Launceston

Table Cape is by far Wynyard’s most remarkable natural wonder, at 180 metres high, ‘The Cape’ - as locals refer to it - offers spectacular views of Tasmania’s coastline. As you drive to the top of the remains of a 12-million-year-old volcano you’ll reach Table Cape lookout where, on a clear day, you can see mountain ranges over 175 kilometres away. If there’s a town with a cuter name than Penguin, we’re yet to find it. Locals embrace its appeal – there are penguin sculptures at every turn, including one measuring over 3 metres tall. Your journey along the northwest coast also passes through Ulverstone and Sheffield, The Town of Murals, boasting over 100 large paintings depicting the area’s rich history and local characters. All this exploring builds an appetite. Refuel at Ashgrove Tasmanian Farm, where happy cows contribute to award-winning cheeses – everything from cheddar and red Leicester to creamy Tasmanian blue. For lovers of sweeter delights, why not treat yourself to a delicious locally made ice cream (own expense). **Hotel: Best Western Plus Launceston, 2 nights. B**

6 Launceston

There are few places in the world where you can leave the city behind and within minutes be surrounded by nature. Launceston is one. Blink and you’re at Cataract Gorge, a yawning chasm carved by ancient rivers. This rare natural phenomenon unites bushland with neat Victorian

gardens, replete with ferns and exotic plants. Get a different perspective of the green cavern on the scenic chairlift, zipping you over the water to a lofty lookout. We wouldn’t blame you for lingering here, or perhaps this afternoon take one of the river cruises on offer (both own expense). The choice is yours. **B**

7 Launceston - Bicheno

You’ll smell Bridestowe before you see it, this enormous lavender farm perfuming the Tasmanian countryside (bloom late Spring to early Summer). The flowers grown here aren’t just used in fragrances – they’re also infused into ice-cream, teas and jams. It’s a tasty entrée to the Legerwood Carved Memorial Trees, sculpted into World War One soldiers. Little penguins come out to play in Bicheno; sign up to spot them after dark as they waddle to shore from the water (own expense). **Hotel: Beachfront at Bicheno. B D**

8 Bicheno - Hobart

The colours at Freycinet National Park are so vivid you’ll think someone has taken the glasses off your nose and cleaned them for the first time: The patchwork of ocean blues that lap Coles Bay. The dramatic pink granite cliffs. There’s a reason why the peninsula stars on postcards. The other place on postcards is Richmond, its grand 1820s Georgian buildings today home to bijou boutiques, galleries and cafés that appear to be lost in time. Your last stop for the day is to the shores of the Derwent River where local palawa will welcome you to country and show off some local bush tucker. **Hotel: DoubleTree by Hilton, 2 nights. B**

9 Port Arthur Historic Site

The Isle of the Dead, Devil’s Kitchen, Blowhole... the attractions at and around Port Arthur nod to the region’s notoriously grim history. This is the best-preserved convict site in Australia, and among the most significant convict-era destinations worldwide. The stories these walls could tell. Enjoy dinner tonight at a historic waterfront pub. **B D**

This evening, embark on the Te Pō experience at Te Puia. Learn about Maori history and culture on this guided experience, which includes hangi-inspired cuisine and a cultural performance in a finely carved meeting house, Te Aronui a Rua. Witness a pōwhiri (traditional welcome), waiata (song), mōteatea (traditional chant) poi and haka. It ends on a high at the Pohutu Geyser, where, armed with a hot chocolate, you'll view one of New Zealand's geothermal wonderlands. **B D**

Welcome to Christchurch
At once forward-thinking and fun, Christchurch is the kind of city you could lose yourself in for a week – or more. You have this afternoon, so make the most of it. Time to meet your fellow adventure-seekers over a couple of wines. **Hotel: Distinction Christchurch.**
- 2

Christchurch - Twizel
If you didn't get your Christchurch bearings yesterday, you certainly will on today's city tour, taking in the record-breaking Cardboard Cathedral – who knew you could build a church from cardboard? The buildings of the city fade into a patchwork of farms as you ease across the Canterbury Plains towards Lake Takapo. Here, retired farmers Angie and Stan Taylor welcome you to their home with a slap-up Be My Guest afternoon tea and tales about life on the land. And this land is truly dramatic, backdropped by powdery mountains and cut with turquoise lakes, none quite as pretty as Lake Tekapo, on its banks the stone-hewn Church of the Good Shepherd. **Hotel: Distinction Twizel. B D**
- 3

Twizel - Dunedin
Oamaru has a rich history and proud heritage, enriched by passionate and perhaps quirky locals. Explore the shops, galleries and traditional crafts within some of the Southern Hemisphere's most complete Victorian streetscapes. You're en route to Dunedin, replete with rolling green meadows and a grand stone castle. It kind of feels like you've been transported to Scotland – small wonder it's known as the 'Edinburgh of the South'. Afternoon at your leisure, we recommend a visit to Speight's Brewery – a New Zealand institution. And pretty much everything in between. There's always that castle to explore... Larnach may not have the history of Scotland's grand estates, but it's just as pretty in our humble opinion. A NZ holiday must. **Hotel: Scenic Southern Cross. B D**
- 4

Dunedin - Te Anau
Leave Dunedin's pastoral sheep-farming countryside behind as you venture into World Heritage listed Fiordland National Park, a place of yawning gorges and gem-like glaciers, and azure lakes so large they have their own islands. Case in point Pomona Island, where a charitable trust of passionate volunteers works to restore flora and fauna on this **MAKE TRAVEL MATTER®** Experience with your help. Take a thrilling jet boat ride

- 5

Te Anau - Queenstown
Nature rules again today, from the moment you depart Te Anau and begin your journey deep into the heart of Fiordland National Park. Think native rainforests, beech forests, alluvial flats and meadows; Mirror Lakes perfectly reflecting mountain scenery; and precipitous lookouts holding guard over alpine rivers. And this is just the entrée. The main course is your Milford Sound/Piopiotahi tour, where you cruise in the company of fur seals that bask on the rocks, and gaze at misty escarpments so sheer they appear to cleave off the edge of the Earth. You're in the company of a naturalist who knows every nook and cranny of this mighty cavern and will point out flora and fauna you would have never spotted on your own. **Hotel: Millennium, 2 nights. B D**
- 6

Queenstown Free Time
Take today at your own pace. Like things fast and furious? Feel the wind in your hair on a high-octane jet boat ride, perhaps. Prefer wine to get your heart started? See why Central Otago makes some of the world's most raved about cool-climate pinots on a cellar door tour. Wherever your daily wanderings take you, reunite with your companions come dusk to glide across Lake Wakatipu aboard the historic TSS Earnslaw, your barbecue Highlight Dinner served on the grounds of Walter Peak High Country Farm. **B D**
- 7

Queenstown - Franz Josef/Waiau
In the shadow of the Remarkables, Queenstown is pretty spectacular. But it has some stiff good-looks competition from neighbouring Arrowtown, with its movie-set tree-lined avenues and 19th-century buildings that once housed gold-rush fortune-seekers. Things grow well in this verdant countryside, from cherries to pinot grapes and all manner of stone fruit. Prepare for a flavour explosion at a roadside stall run by the interminable Mrs Jones, a local institution. The next explosion is a visual one as you arrive in the town of Franz Josef/Waiau, home to Franz Josef Glacier/Kā Roimata o Hine Hukatere. Get some perspective

- 8

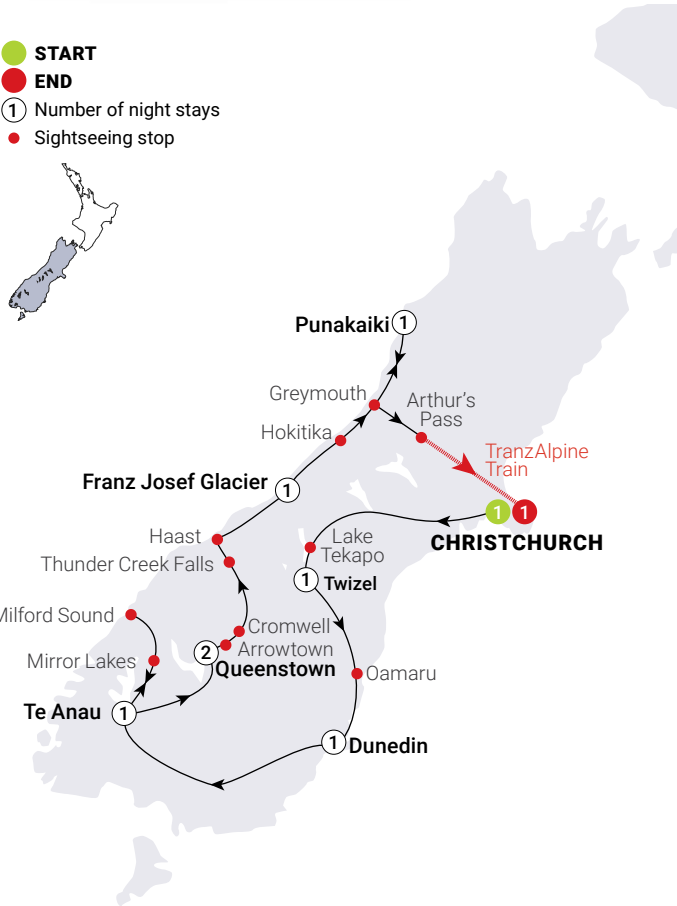

Franz Josef/Waiau - Punakaiki
Explore the small but lively Franz Josef/Waiau village before venturing to Hokitika, home of New Zealand's native jade greenstone. Then soak in the natural surroundings as you head to Punakaiki to view the Pancake Rocks and Blowholes, where waves thunder through cracks in the Earth. This is the soundtrack that lulls you to sleep at tonight's eco-resort. **Hotel: Scenic Punakaiki. B D**
- 9

Punakaiki - Christchurch
Join us at Ponaumu Pathway. Embark on a unique self-guided journey, as you make your way through this extraordinary storytelling experience born from a collaboration with the Weta Workshop. We've got you sorted for lunch at legendary Monteith's Brewery. All aboard for the scenic TranzAlpine train back to Christchurch from Arthur's Pass, through tunnels and over viaducts, with panoramic views of snow-capped peaks, icy rivers, beech forests, gorges and river valleys. **Hotel: Distinction Christchurch. B L D**

Wai-O-Tapu, Thermal Pool

1 Welcome to Auckland

New Zealand’s largest city is blessed when it comes to water views with its twin harbors. Explore the ‘City of Sails’ before meeting your fellow NZ holiday travel companions for dinner at The Grill. **Hotel: Horizon by SkyCity, 2 nights. D**

2 Auckland Sightseeing

Those sails on the harbour? They come from a long and fascinating history of boat-building and sailing, as you’ll discover on an America’s Cup tour at the New Zealand Maritime Museum. The water is your backdrop as you skirt the harbour toward dreamy Mission Bay and Bastion Point. There’s nothing like an epic view to set your soul soaring. **B**

3 Auckland - Rotorua

Leave Auckland behind and journey to Rotorua, a true hot spot on your NZ holiday. This afternoon, enjoy an exclusive Be My Guest experience at Wai-O-Tapu Thermal Wonderland, New Zealand’s most colourful and diverse geothermal valley. Visit after hours for a private tour to see The Devils Bath and bubbling mud pools with fascinating insights from an expert guide and enjoy a mocktail and canapés at the aptly named Champagne Pool. Tonight, dive deep into Maori culture at Te Pā Tū Māori Experience, an important hub keeping tradition, art and music alive. Oh, and exciting Māori cuisine. Enjoy forest kai horotai (seasonal canapés) and chef choice aperitif, followed by a three-course dinner. **Hotel: Millennium, 2 nights. B D**

4 Rotorua

Today choose your own adventure. Optional Rotorua tours include ziplining through forest canopy or relaxing at Wai Ariki Hot Springs & Spa. **B**

5 Rotorua - Wellington

You’ll hear Huka Falls well before you see it – 220,000 litres of water thunder over an 11 metre high waterfall every second. The road ahead unfolds in a broad panorama of Lake Taupo then the Kapiti Coast to New Zealand’s cool little capital, Wellington. **Hotel: Rydges, 2 nights. B D**

6 Wellington

Your day in Wellington should – must – begin with a coffee. The city is known for its uber-cool cafés and with coffee in hand you will head out on a city sights tour to take in highlights such as its iconic cable car, parliament and Mt. Victoria. This afternoon is yours to discover Wellington. Your city tour ends at Te Papa Museum of New Zealand, so perhaps make a visit (entrance fee applies). Or tour the first urban completely fenced ecosanctuary of Zealandia Te Māra a Tāne, where the biodiversity of 225 hectares of forest is being restored or explore Lord of the Rings territory (own expense). **B**

7 Farewell from Wellington

It’s been a week of epic sights and adventures in the North Island. All good things must come to an end, but there’s time to enjoy one last breakfast with your travel companions. **B**

Jewels of the Bay

Bay of Islands

1 Welcome to Auckland

Auckland never fails to turn on the charm, as you’ll discover while exploring the city at your leisure before meeting your Travel Director and fellow adventure seekers for a welcome drink tonight. **Hotel: Adina Apartment Britomart.**

2 Auckland - Bay of Islands

Hit the road this morning for a scenic sojourn to the Bay of Islands. This pocket of the country deserves its name – there are more than 140 subtropical islets off the coast here, lined with blissful undeveloped and unpeopled beaches. It’s undeniably beautiful, but it also holds a special historical significance; this is where the Treaty of Waitangi was signed in 1840, between Captain William Hobson and Māori chiefs, officially denoting New Zealand as a member of the Commonwealth. Your guide at the Treaty Grounds, quite possibly a descendant of one of the original signatories, will explain the importance of the site, while pointing out the world’s largest ceremonial war canoe and a carved meeting house. These are just some of the Māori artefacts that characterise this part of the north coast. **Hotel: Copthorne Hotel and Resort Bay of Islands, 2 nights. B D**

3 Bay of Islands Free Time

If there’s a travel destination that inspires wanderlust, the Bay of Islands is it. Today, trip the light fantastic and head off on an optional experience in whatever direction you please. Perhaps, cruise through the Bay of Islands, glass of New Zealand wine in hand. Or maybe on a mini jaunt around the romantic town of Russell, the country’s first permanent European settlement and seaport. Fun fact: the town’s streets retain their original names and layout from 1843. Just ask your Travel Director for touring tips – and places to wine and dine in between. Wherever your NZ holiday takes you today, we recommend finding somewhere special to salute the end of the day – this part of the country is known for its for blazing sunsets. **B**

4 Bay of Islands - Auckland

If you’ve never heard of Whangarei, you’re probably not alone. But today, New Zealand’s most northerly city is well and truly on your radar. A place where waterfalls meet beaches, galleries meet museums, Whangarei is the country in a tantalizing snapshot – a union of nature and forward-thinking culture. Stroll the picturesque Town Basin – before sinking back into your seat for the mesmerizing commute back to Auckland. **B**
