AAT Kings proudly presents its new Small Group product, designed to offer intimate and immersive touring experiences for travellers seeking expertly crafted tours at great value. With smaller, more flexible group sizes, guests will enjoy enhanced access to remote regions, personalised service, and the same premium quality experiences for which AAT Kings is renowned.

**Group Size:** Maximum of 24 guests per departure for a more intimate and personalised experience.

**Accommodation:** Hand-picked hotels prioritising quality, location, and convenience.

**Special Stays:** Experience unique, standout accommodations like Wilpena Pound Resort, located in the heart of Flinders Ranges National Park, South Australia. Guests can relax amidst one of Earth's oldest and most breathtaking landscapes.

**Iconic Experiences:** Highlights include experiences such as a charter flight to Tasmania's remote Flinders Island, soaring over the vibrant Bay of Fires, and the breathtaking Wineglass Bay.

**Elevated Experiences:** Exclusive activities unavailable to larger tour groups, offering unforgettable moments.

**Access to Remote Regions:** Discover secluded, off-the-beaten-path destinations that larger groups cannot reach, for an authentic adventure.

**Meals:** Enjoy two-course meals and drinks at welcome and farewell events, as well as select experiences that showcase the unique flavours of each destination, such as Mt. Gnomon Farm, where you'll meet fifth-generation farmer Guy Robertson and his family, who have perfected centuries of skills in cider orchards and gardens.

**Make Travel Matter® Experiences:** All our tours have a strong focus on sustainability and supporting community-led projects. For example, in New Zealand, discover Whirinaki Forest, an intimate, interactive experience, which allows guests to deeply understand tribal stories and history of the local Ngati Manawa Māori people.
