

SMALL GROUP TOURS COACHES

— BIG ON SPACE & CONVENIENCE —

HANDY FACTS & FIGURES

TO HELP YOU SELL SMALL GROUP TOURING IN OUR RECENTLY DEVELOPED LUXURY 24-SEAT COACHES

Australian-designed & built coaches - made in Australia for Australian conditions

Dimensions – 10.7 metres long, 3.5 metres wide and 3.7 metres high. Similar in size to the Whale Sharks found at Ningaloo Reef!

Fully customised interior, including mood lighting, Italian leather seats with generous recline, timber flooring, USB charging at every seat plus WIFI

Full galley, including Tea/coffee facilities, a hot water Urn, sink & custom fridge

Coaches are fully kitted out with GPS tracking that also allows us to measure carbon emissions & are fitted with a satellite phone for safety & are Euro 5 compliant (emission standard)

Generous leg room: With an average seat pitch of 120cm (47"), you'll barely be able to reach the seat in front of you.

HDMI connection, allowing TD/Driver to share content from their phone/iPad to the internal coach TV

Climate controlled AC for guests & separate unit for Driver & TD.
